## THE STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the Town of New Hampton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said New Hampton on Tuesday, the eleventh day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sum of money the Town will vote to raise for the repair of highways and bridges and make appropriations for the same.

4. To see if the Town will vote to accept State Aid to be expended on the Robie Road, so called, and to raise and appropriate the sum of \$2,380.00 for the same, the State contributing \$2,380.00, or if the Town will vote to raise and appropriate the sum of \$662.34, the State contributing \$2,649.36 for construction of Class V highways.

5. To see how much money the Town will raise for Memorial Day and make appropriation for the same.

6. To see how much money the Town will raise for Old Home Day and make appropriation for the same.

7. To see if the Town will vote to raise and appropriate the sum of Three Hundred dollars (\$300.00) for the Laconia Hospital to be used for the care of needy residents of the Town.

8. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the control of White Pine Blister Rust.

9. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the care of old cemeteries.

10. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

11. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by Tax Collector's deeds.

12. To see if the Town will vote to raise and appropriate a sum of money to maintain roads built under Class V.

13. By request. To see if the Town will vote to raise and appropriate the sum of \$160.00 to the Lakes Region Association of New Hampshire for the issuance and distribution of printed matter, newspaper and magazine advertising, calling attention to the resources and natural advantages of the Town in cooperation with other Towns in the Lakes Region.

14. By request. To see what action the Town will take in regard to laying a new floor in the Town House and raise and appropriate money for the same.

15. By request. To see what action the Town will take relative to the purchase of a new tractor and snow plow, and make appropriation of money for the same.

16. By request. To see if the Town will vote to raise and appropriate the sum of \$80.00 for the Newfound Region association for advertising the natural advantages and attractiveness of the town.

17. To transact any other business that may properly come before said meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and forty-one.

LEWIS C. SHAW,  
JAMES F. STROCKBINE,  
A. KENNETH OBER,  
Selectmen of New Hampton.

## SELECTMEN'S REPORT

To the tax payers of New Hampton :

Perhaps some note of explanation of our report for the past year may be of interest to you. Additional expenditures out of the 1940 taxes were occasioned by several bills which should have been presented for payment before the close of books Jan. 31, 1940.

The Ashland bill for Randall Hall and other fires amounting to over \$350.00, a Laconia Hospital bill of \$158.00 together with a medical bill for \$50.00—made a total of more than \$550.00—which would have been paid a year ago had they been received in time.

In spite of the fact that the W. P. A. did not function after the first few weeks, and no work projects were carried out by the town, our local relief account is less than last year, even though two new accounts had to be added which cost us a thousand dollars.

Our small indebtedness, occasioned principally by the purchase of the new tractor, shows a still further decrease, with only two more notes to pay.

For the purpose of economy we abolished the office of Overseer of the Poor, and have carried on the relief business by meeting each Friday afternoon, thereby saving the town practically two hundred dollars.

We have tried faithfully to have your tax dollar go as far as possible, by our economy program, and we trust our efforts will meet your approval.

Respectfully submitted,

LEWIS C. SHAW,  
JAMES F. STROCKBINE,  
A. KENNETH OBER,  
Selectmen of New Hampton.

## FIRE WARDEN'S REPORT

---

New Hampton has had an unusual number of small forest fires, due in a large measure to hurricane and lumber operations which for the coming season will continue to be more hazardous than ever, especially if we have a dry summer. The greatest possible care should be exercised in burning brush and every effort should be put forth to remove as far as possible unnecessary fire hazards. Be sure to obtain a permit for necessary brush burning, and attend to it when there is a heavy dew or after a rain.

Do not forget your personal liability for damage caused by an uncontrolled fire.

By co-operating with the Forestry Department we have secured some fire fighting equipment on a 50-50 basis and these, supplemented by the Fire Department equipment, give us more protection than we have had heretofore, but not as much as we ought to have.

We are rendering a list of our equipment and recommending that the additional list be secured to bring our department up to what it ought to be for fire fighting efficiency.

I am grateful to the Town Officials, Firemen, Deputy Wardens and the citizens as a whole for your co-operation in our control of fires and ask that you continue your good work to keep our fire control bill as low as possible this coming year.

E. CLINTON WALLACE,  
Forest Fire Warden.

## SUPERINTENDENT'S REPORT

---

### To the School Board and Citizens:—

New Hampton is maintaining five schools this year, the same number as last year.

The Village, Fiske and Old Institution schools average about 25 pupils each; Plaisted and Hanaford average from 12 to 14 pupils.

The Village, Hanaford and Old Institution schools have new teachers. Miss Verna Greenly was transferred from the Old Institution school to the Village, her place being taken by Miss Myrtle Dodge of Plymouth, a teacher of experience. At the Hanaford school Miss Lilla Tuttle, another experienced teacher, was secured.

The epidemic of "flu" and bad colds, so prevalent throughout the New England states, necessitating the closing of many schools because of large absence lists, did not affect the New Hampton schools materially. The Fiske was the only one closed, but only for three days. The average number of pupils are now back in school with lost work made up.

The Village school has had its bulky room heater removed and a furnace installed in the basement. This is a splendid improvement. It not only provides more satisfactory heating, nights as well as days, but affords much more usable space in the schoolroom itself.

The number of pupils enrolled in the schools is approximately the same as last year. The number of our graduates attending high school speaks well of the desire created in our grammar grades to secure additional education. Thirty-four pupils are, this year, attending high schools. Some of these pupils will undoubtedly attend college. Many of them, whether graduates of high schools or college, we trust will become permanent citizens of New Hampton such as we may be proud of.

It has become generally accepted as a fact, that a village or rural school education is a very inadequate preparation for today's living. It is for this reason that more and more parents are anxious for their children to have at least a high school education and are willing to make sacrifices to that end. When the children themselves are anxious for more learning, distance from a high school doesn't matter; they will get there some way.

The graduating exercises of last June were very entertaining and interesting. The children acquitted themselves very satisfactorily. The exercises were a credit to Mrs. Adams and all the teachers who had worked so hard for their success.

All the schools at the present writing seem to be doing satisfactory work.

It might be interesting to know the per cent of each expense item to the total cost, of the schools.

The following figures apply to the school year ending June 30, 1940, considering only the largest items, teachers, etc.

Of the total amount expended for schools 38.40% was for instruction—teachers, books and supplies. Of this 36% was for teachers.

40.42% was for auxiliary agencies; health supervision, transportation, and tuition.

4.40% was for operation and maintenance.

3.20% was for administration.

For every dollar of the equalized valuation of New Hampton in 1939-40, only about  $7\frac{1}{2}$  cents was expended for education. The per pupil cost of elementary education for 1939-40, not including cost of those pupils attending out of town schools, was \$115.65. Only 20 towns in the state have a higher per pupil cost. The median cost in the state is \$81.85.

The reason for this excessive cost is the maintaining and equipping of five separate schools; the employing of five teachers to teach 90 children in these five schools that

could be taught better by three teachers if they were all in one building. Some time in the near future I hope New Hampton will see the advantage of following the trend of other places and establishing a consolidated school.

Respectfully submitted,  
 FRED S. LIBBEY,  
 Superintendent of Schools.

### Report of School Nurse

This is a summary of the work done by the school nurse from September 5, 1939, to June 14, 1940.

Pupils inspected	78
Number school visits	34
Number home visits	32
Number business calls	20

Pupils were weighed several times during the school year, and measured once. Vision tests were done on the children.

Contagious diseases included: scarlet fever contacts, measles and various skin diseases. All were excluded and treated at home until the condition had been satisfactorily cleared up.

A dental clinic is very necessary in the community, and I hope that the cooperation of all may be obtained to make this clinic possible. Physical examinations showed dental decay was the biggest factor present in the schools.

The cooperation of the superintendent, members of the school board, teachers and parents of the community has been very much appreciated.

Respectfully submitted,  
 RUTH E. ALLEN, R. N.
